Summer 2019

Fellow Ore Gangue Alumni:

We have several items to report in this year's Alumni fund update:

The Fund has had a successful year as it grew from \$197,115.00 last year to at **\$207,655.00** at this date. This amount gives the Fund a 2017-18 spending limit of \$7,325.00. We thank all who have contributed to this growth and hope we can see the trend continue. To donate please visit the ore Gangue website at www.oregangue.org and click on the **Alumni Fund** tab.

Due to administrative changes at the Department there were no awards made in the 2018 academic year. The funds have been rolled forward and the combined total of \$15,000.00 will be awarded in the 2019 academic year. This is a very significant sum of money and we are certain that the impact on the student population and the on-campus Ore Gangue profile will be pronounced. Letters of notice have been forwarded to students and we expect to be able to announce details in the next academic term.

The Annual Beer Bash was a resounding success in early December. We make a special shout out to Andy Burnett and Ray Robertson who donated \$450.00 from the raffle of some very impressive ammolite pieces at the event. Gentlemen, thank you.

The *85th Concentrates* was released to all the Ore Gangue 85th Reunion attendees. We are very impressed with the unbelievable amount of history the committee has gathered and digitized. Many Thanks to Tracey Jungwirth and Cliff Herman and their committee.

The Alumni Bursary Committee is pleased to have the assistance of the Golf Tournament Committee in establishing this fund. They have been kind enough to allow us to post information about the Fund on the **Ore Gangue Website**. To learn more about this Fund, the Annual Golf Tournament, the Historical and Anniversary Projects, and more please visit: www.oregangue.org

The Ore Gangue is also on Social media. Please visit any of the sites to keep up with what is happening in the Ore Gangue. Remind your friends and colleagues

to update their personal info on the Ore Gangue website.
